Note:

- 1) All pricing includes free delivery to your pond/lake, a 10 day guarantee and a free consultation with a fisheries biologist regarding your pond's fish population.
- 2) Due to NYSDEC regulations, all fish must be certified disease-free in order to be sold in NYS. AquaTech will supply certification with every fish sale.
- 3) As the pond owner, you are required to file a Fish Stocking Permit. We can provide the blank permit for you to forward to the NYSDEC.
- 4) Orders will be filled regionally due to fuel costs. Final stocking may not occur until June.
